Project FINE
Focus on Integrating Newcomers through Education

Strategic Plan
2019-2023

For tomorrow belongs to the people who prepare for it today.
—African proverb
The following plan was developed based on the identified needs of newcomers, service providers and community partners and approved by the Project FINE Board of Directors on September 21, 2018. It is intended to serve as a road map, to provide direction for the next five years as we continue to carry out our mission: “To strengthen and enrich our community by facilitating the integration of people who are ethnically diverse.”

Project FINE would like to thank the 2018 Board and Committee Members for their contributions to the 2019-2023 Strategic Plan:
